6417	600x400x180	573x375x171	28	1,600	36,74	20,0
*6411	600x400x119	573x375x110	28	1,300	23,63	15,0

* coming soon

Amount of folded crates on the euro pallet (1200x800) in full truck   340 pc for all types

Basic material   virgin cPP

Service temperature range   -20C to +60C

Washing temperature range   max 60C

Additional facts:

- Improved design for easier and more effective washing, ventilation and drying

- Special design of outer walls surfaces for easier sticker and dirt removing

Operational notes:

Unfolding	**Folding**
1. Grip a handle of a long side with each hand and open them up.	1. Press on the top corners of short sides from the outside until the locks are unfixed.
2. Pull up short sides until they lock into place.	2. Put the short sides on the crate bottom.
3. Press on the short side top corners inside-out until they firmly fixed with "click" sound.	3. Fold long sides down onto the folded short sides.
